

Guidelines for HKLN Funding Grants

Help Kids Like Nick is a charitable organisation that has been established to promote the wellbeing of individuals with Wolf Hirschhorn Syndrome in Australia and their families.

Help Kids Like Nick has been endorsed as a Deductible Gift Recipient by the Australian Taxation Office.

We wish to provide assistance to alleviate some of the physical, social and financial restrictions which can accompany WHS. We would love to make the everyday reality of living with WHS just a little easier.

Grants through **Help Kids Like Nick** will be available for the following areas:-

- respite care in special circumstances
- household assistance (invoices & quotes necessary)
- support for carers, families and siblings of persons with WHS
- modification for vehicles (to help cover the gap with Government assistance) up to a certain funding level
- specialised equipment that has not been covered by NDIS

Areas That **Help Kids Like Nick** is unable to fund

- salaries, grants or monies direct to individuals
- cash donations
- additional funding for the same piece of equipment after grant approval, if requirements change

Payment will be made to the vendor or service provider, not directly to the family.
